

PERSONAL MEDICATION LIST FOR:

This medication list may help you keep track of your medications and how to use them the right way.

- Use blank rows to add new medications. Then fill in the dates you started using them.
- Cross out medications when you no longer use them. Then write the date and why you stopped using them.
- Ask your doctors, pharmacists, and other healthcare providers in your care team to update this list at every visit.

Keep this list up-to-date with:

- prescription medications
- over the counter drugs
- herbals
- vitamins
- minerals

If you go to the hospital or emergency room, take this list with you. Share this with your family or caregivers too.
